### Meet Our Presenters

**Brian Hitz** is Vice President of Engineering at Laminated Wood Systems. Brian graduated from the University of Nebraska-Lincoln with Bachelor degrees in Construction Management and Civil Engineering. He previously worked for 4 years as a civil engineer at Burns & McDonnell and has been with Laminated Wood Systems, Inc. since 2008.

**Kathryn (Katie) Fernholz** is President of Dovetail Partners a nonprofit environmental think tank based in Minneapolis. She is a forester by training with more than twenty years of experience with forest management concerns. She has worked throughout North America on efforts to address sustainability in land use and material choices. She serves in many leadership roles in the forest sector, including as board chair for the American Forest Foundation and on the Minnesota Forest Resources Council as a governor appointed environmental representative.

**Qualifies for 4  
PDH Credits**
